### **Entry Requirements**

Some qualifications and courses may have specific entry requirements like level of education achieved or pre-requisite course. Careers Training Centre can advise on these requirements at the time of enrolment. A deposit is required to be paid at time of offer to secure your place. Upon enrolment, an invoice for any course fees and payments will be issued. Full fees must be paid for the course/unit prior to the issuing of your qualification or statement of attainment.

Students must complete a Language, Literacy and Numeracy Assessment prior to the start of training. This assessment allows CTC to assess the student's competency with literacy and numeracy standards and design assessment tasks that support the student learning style as well as offering ongoing mentoring and support services when required.

### **Disability**

The enrollment form includes a question about disability. Below is a list and meanings to provide additional information to assist with answering the disability question.

Disability in this context does not include short-term disabling health conditions such as a fractured leg, influenza, or corrected physical conditions such as impaired vision managed by wearing glasses or lenses.

#### Hearing/deaf

Hearing impairment is used to refer to a person who has an acquired mild, moderate, severe or profound hearing loss after learning to speak, communicates orally and maximises residual hearing with the assistance of amplification. A person who is deaf has a severe or profound hearing loss from, at, or near birth and mainly relies upon vision to communicate, whether through lip reading, gestures, cued speech, finger spelling and/or sign language.

#### Physical

A physical disability affects the mobility or dexterity of a person and may include a total or partial loss of a part of the body. A physical disability may have existed since birth or may be the result of an accident, illness, or injury suffered later in life; for example, amputation, arthritis, cerebral palsy, multiple sclerosis, muscular dystrophy, paraplegia, quadriplegia or post-polio syndrome.

#### Intellectual

In general, the term 'intellectual disability' is used to refer to low general intellectual functioning and difficulties in adaptive behaviour, both of which conditions were manifested before the person reached the age of 18. It may result from infection before or after birth, trauma during birth, or illness.

#### Learning

A general term that refers to a heterogeneous group of disorders manifested by significant difficulties in the acquisition and use of listening, speaking, reading, writing, reasoning, or mathematical abilities. These disorders are intrinsic to the individual, presumed to be due to central nervous system dysfunction, and may occur across the life span. Problems in self-regulatory behaviours, social perception, and social interaction may exist with learning disabilities but do not by themselves constitute a learning disability.

#### Mental illness

Mental illness refers to a cluster of psychological and physiological symptoms that cause a person suffering or distress and which represent a departure from a person's usual pattern and level of functioning.

#### Acquired brain impairment

Acquired brain impairment is injury to the brain that results in deterioration in cognitive, physical, emotional or independent functioning. Acquired brain impairment can occur as a result of trauma, hypoxia, infection, tumour, accidents, violence, substance abuse, degenerative neurological diseases or stroke. These impairments may be either temporary or permanent and cause partial or total disability or psychosocial maladjustment.

#### Vision

This covers a partial loss of sight causing difficulties in seeing, up to and including blindness. This may be present from birth or acquired as a result of disease, illness or injury.

#### Medical condition

Medical condition is a temporary or permanent condition that may be hereditary, genetically acquired or of unknown origin. The condition may not be obvious or readily identifiable, yet may be mildly or severely debilitating and result in fluctuating levels of wellness and sickness, and/or periods of hospitalisation; for example, HIV/AIDS, cancer, chronic fatigue syndrome, Crohn's disease, cystic fibrosis, asthma or diabetes.

#### Other

A disability, impairment or long-term condition which is not suitably described by one or several disability types in combination. Autism spectrum disorders are reported under this category.

### **Privacy Notice**

All students are required acknowledge the Privacy Notice. The Privacy Notice is a statement to inform students that personal information collected from the student may be used together with training activity information. The privacy statement lists the ways information about the student is held, used, disclosed and managed. Specific questions may be directed to the Skilling Australia information line on 13 38 73 or via email at [VET-DataPolicy@education.gov.au](mailto:VET-DataPolicy@education.gov.au)

### **Enrolment Process**

A staff member from Careers Training Centre will complete the necessary paper work and discuss a training plan with you. The Training Plan needs to be signed by the Trainer and the Student. An induction will be completed so that you understand your rights and responsibilities. Course costs will be discussed and a training agreement will be completed which identifies the qualification cost and the cost per unit. An invoice will be issued and payment options confirmed with you.

Training is conducted weekly in Mossman, Kuranda and the Cairns region. CTC will ensure all students have an understanding of all the training locations, places and times available for training. CTC will work with students to assist them meet their training needs with mutually agreed training sites and locations.

You will be issued with a copy of the training plan and a record book, which must always be kept in a safe place and be available at training sessions. The record book allows you to monitor your progression of completed units within the training plan. An induction will be completed so that you are informed of your rights and responsibilities.

Your training can be self-paced or with other students in structured training sessions and will be discussed with you during the enrolment process. You will have an opportunity to tailor training to meet your needs and the needs of your employer. You do not need to relearn skills you already learnt and you will be given time to develop the skill and knowledge required for mastering new competencies. Again this will be ongoing discussion with you and your employer.

### **Unique Student Identifier (USI)**

As of the 1<sup>st</sup> January 2015, any student who is undertaking Nationally Accredited Training with a Registered Training Organisation (RTO) will need to have a Unique Student Identifier (USI).

At your induction Careers Training Centre will give you the '**Australian Government – Department of Industries Skills Fact Sheet**'. This will explain what the USI is, how to obtain one and what it is used for.

*Students will need to provide a USI transcript on enrolment.*

### **Course / Qualification Fees**

|          |  |            |
|----------|--|------------|
| SIT20116 | Certificate II in Tourism              | \$2,800.00 |
| SIT30116 | Certificate III in Tourism             | \$3,200.00 |
| SIT40116 | Certificate IV in Tourism              | \$4,500.00 |
| SIT50116 | Diploma of Travel & Tourism Management | \$5,500.00 |

Careers Training Centre will accept advance payments of no more than \$1000 from each individual student prior to the commencement of the course.

Following course commencement, Careers Training Centre will require agreed payments of training fees from the student/employer as they progress through individual units of competency. Students will complete the **Training Agreement** form to confirm all costs associated with training prior to commencement.

Certificates and Statements of Attainment will not be issued if all outstanding fees are not paid in full.

### **Payment Schedule**

Careers Training Centre will submit an invoice for agreed training costs to be conducted, to the employer prior to commencement:

- Payment plans may be agreed on a per unit basis, ie. Total number of units in course divided by total course / qualification cost to give a per unit cost or regular monthly/fortnightly/weekly payments.
- Certificates and Statements of Attainment will not be issued if all outstanding fees are not paid in full.
- Enrolment and Training will not commence until the agreed deposit has been received by Careers Training Centre.
- Payment of fees in advance at any given time will not exceed \$1,000.00 for training yet to be delivered to the student.

### **Refund of Course Fees**

As a learner you pay an agreed fee upon commencement of a course in which you are enrolled. Course deposits will be accounted separately and are not accessed until course commencement.

You will be entitled to a refund for any units that you have paid for that have not been trained and or assessed; you will need to get a withdrawal form from your trainer and submit this to the office for processing.

### **Language, Literacy and Numeracy Support**

All students will be assessed on their Language, Literacy and Numeracy (LL&N) skills on enrolment. This assessment allows CTC to assess the student's competency with literacy and numeracy standards, to then design assessment tasks that support the student learning style, as well as offering ongoing mentoring and support services when required. If assistance is required in any of these areas, this will be discussed with you and one-on-one assistance will be arranged to suit your needs.

### **Mentoring and Support Services**

Ongoing mentoring and support are provided by Careers Training Centre throughout your training. If you are having difficulties in the workplace or at training, it is important to talk with your employer and or trainer. Our Mentor is available to work with you to resolve concerns and give direction to further assistance if required. Only by working

together can we help you overcome difficulties. We take our responsibilities seriously and trainers and assessors will visit you in your workplace regularly and work with your supervisors to develop your skills and knowledge.

If you need extra assistance Careers Training Centre staff is always willing to arrange one on one training sessions at a mutually convenient time and place.

Careers Training Centre utilizes the services of an Indigenous Mentor to work with any student who requires the assistance of a mentor. Throughout your training, our training staff will visit your workplace. If you need to see us before your next scheduled visit, please ring our Administration staff on 07 40419 454 and they will organise a visit for you.

If a major problem is identified in the workplace we can help you contact the appropriate legislative bodies who are available for mediation, to assist to manage conflict, crisis intervention, counselling, and referral to relevant services and providers. We will work with you to find a solution that suits you.

### **Withdrawing from your Course**

You have a responsibility as part of your training contract to notify Careers Training Centre of any changes that may affect your attendance at training. If you are going to withdraw from your course you need firstly terminate the training contact by completing a Cancellation of Training Contract form (available from your trainer) and must be signed by the student and the employer.

It is important to act on any concern immediately. If you contact us, we will put you in contact with all of the appropriate people and advise you of our policy and procedures and we can issue you with results for any modules you have completed. You will then be able to use this Statement of Attainment for credit transfer into other courses.

### **Cancellation of student enrolment or Assessment Extensions**

Students need to make regular ongoing progress throughout their course which includes regular open communication, attendance and submission of units on a 4 to 6 weekly bases. Failure to meet these standards during the course duration may lead to cancellation of your training agreement. Special circumstances always exist so please contact us and advise us if you are having any problems or there are changes to your circumstances.

Any student who has not made regular ongoing progress and has not communicated for over 3 months with their training may have their course postponed which may lead to cancellation.

Having a problem: then please advise us so that consideration can be given to your circumstances.

### **Assessment of Skills**

All adult learners learn best when they know the how, when and why of training. Adult learners are active participants in their training. Careers Training Centre encourages and supports learners to be involved in the planning of their learning pathways. All pre-requisites for accredited units must be trained and assessed prior to the start of training for the required unit. Students must gain competency in the pre-requisite unit prior to the start of training for the unit with the pre-requisite.

Assessments will be conducted by Careers Training Centre at the vocational workplace of the student after discussion with their host employer and the student, to set a mutually agreed date and time. Some assessments may be assessed in a simulated work environment, on excursions, in role plays and/or scenarios or any combination of these.

To ensure consistency in a student's performance, competency will be demonstrated, to industry defined standards, on more than one occasion over a period of time in order to cover a variety of circumstances and where possible, over a number of assessment activities. Evidence of industry shifts MUST be completed within the Hospitality workplace environment are essential to the completion of this certificate.

Careers Training Centre will assist you to learn in your vocational work environment. Assessment will be fair and non-discriminatory. How you will be assessed will be explained prior to the start of each unit or workplace visit. It is essential that your employer signs off that you do the work and your employer monitors your progression through your training. We will monitor your learning progress, verify your skills, maintain contact with your employer, provide information for your employer and yourself, and issue your certification on successful completion of the Competency Assessments.

This training is a pathway to your on-going career in your chosen field.

### **The Training Plan**

The Training Plan is the list of units of competency you need to complete for your qualification.

Our trainer and assessor will create the training plan with the student. It is important that all parties are involved in the process and identify the needs and expectations of what will be achieved. The training plan will be explained to you. This will include what each unit of competencies consists of, how it relates back to a workplace, how the assessment will be conducted, what is required to achieve competency and the expected timeframe.

Some units have Pre Requisites that must be completed prior to the undertaking of another unit. The course outline indicates which units have pre requisites and the trainer and assessor will place these in the training sequence on the students training plan and record book.

If you have completed any other courses, subjects or qualifications and you would like to apply for credit transfer or RPL you should bring your documentation to this meeting and discuss this with your trainer and assessor.

A copy of the training plan is given to trainer, the trainee and the employer. This training plan is used to identify the units required for training and the order of training delivery.

### **How we Collect Evidence of Assessment**

Throughout your training, you will be developing new skills in the workplace and gaining recognition of the skills you already use with confidence in the workplace.

A range of teaching and learning strategies will be used to deliver the competencies. These include:

- Practical tasks
- Group work
- Activities in the work environment
- Trainers will work with the student's employer to ensure that training and the duties undertaken in the workplace support the learning process.

When your trainer/assessor comes to visit and confirm your skills, you will need to show them how you can complete the tasks. Assessment is done through discussion with you, observation of your performance in the vocational work place, looking at work samples, and through questioning.

If you have completed a task which you feel demonstrates a competency, make a copy of this, and show it to your trainer when they visit next. An example of this may be a demonstration of your coffee making skills to industry timeframes and standards or answering a phone to industry standards. If you are involved in an unusual activity at work discuss this with your trainer and assessor so that the activity may reviewed and could be included in an assessment piece.

Careers Training Centre has established agreements with the local tourism businesses to host training and assessments for students so that they gain the required skill and knowledge with the required resources, in a practical manner and meet the requirements under the training and assessment Vocational Education and Training packing rules. Students may be required to attend training within these businesses to access the required equipment and resources necessary for their units of competency and the qualification.

*Businesses who have agreed to allow the businesses to be used for training and assessment are;*

- Rainforestation Nature Park, Kuranda
- The Wildlife Habitat, Port Douglas
- Cairns ZOOM and Wildlife Dome, Cairns
- Tropic Wings Cairns Tours
- Australia Butterfly Sanctuary, Kuranda

If you have any questions about your training or the assessment process, please talk with your trainer or phone our Staff Development Manager on 07 40 419 437

### **Recognition of Prior Learning (RPL)**

The objective of the Recognition of Prior Learning (RPL) for the Vocational Education and Training system is to ensure that an individual's prior learning achieved through formal and informal training, work experience or other life experiences is appropriately recognised.

RPLs need to be discussed before enrolling in the course via an interview with the trainer.

Students wishing to apply for RPL will need to request an RPL kit for the units interested in. The student will need to gather evidence to support the application for the RPL. Evidence needs to be sufficient, current (within the last 3 to 5 years) valid and authentic. The evidence gathered needs to match the criteria of the RPL kit. Once evidence is aligned and the RPL kit is completed, with all evidence attached, this is to be submitted to CTC.

If enough evidence to support the criteria of the RPL, a Statement of Attainment or qualification will be issued.

If the evidence does not support the criteria of the RPL student may need to

- Submit more evidence or
- Undertake gap training or
- Complete the unit

CTC reserves the right to the final decision on the outcome.

There is no discount for RPLs. Undertaking an RPL generally takes more training time and more time for students to compile the evidence than actually completing the unit, and therefore is not a 'cheap' option. **Consider undertaking RPL wisely.**

### **What RPL is Not!**

Using the RPL process is not an easy way to get a qualification. It is not a matter of time served or amounts of experience but the specific and relevant learning which is assessed according to the prescribed Competency Standards.

Applicants need to be committed to supporting their case by locating and providing suitable evidence and documentation as required by CTC. Currency of skill and knowledge is determined by CTC assessors and students must be able to display evidence of currency when applying for RPL.

### **Credit Transfer (CT)**

Providing credit is recognising the equivalence in content and learning outcomes between different types of learning and/or qualifications previously undertaken and completed successfully.

Students must not be required to repeat any unit or module in which they have already been assessed as competent, unless a regulatory requirement or licence condition (including an industry licensing scheme) requires this. If a student provides suitable evidence they have successfully completed a unit or module at any RTO, the current training RTO must provide credit for the unit or module.

Before providing credit on related CTC courses, on the basis of a qualification, statement of attainment or record of results, CTC will either authenticate the information by

1. directly accessing the USI transcript online or
2. by contacting the organisation that issued the document to confirm the content is valid.

Ref: <https://www.asqa.gov.au/standards/chapter-2/clause-3.5>

A student who requests a single and up to three (3) unit credit transfers will not receive a reduction in the enrolment cost or course fees. Students claiming four (4) or more unit credit transfers may receive a discounted price at the discretion of the Staff Development Manager and must be discussed prior to the enrolment of the student. Credit Transfers must relate to the course the student wishes to enrol in.

When a student requests a current qualification to replace an expired equivalent qualification, and where evidence mapping is undertaken by CTC and mapped to the new qualification, then the student will **NOT** receive a reduction in the enrolment cost or course fees for these units.

### **Ongoing Training**

You will meet regularly with your trainers to discuss what you wish to achieve, what skills you are currently using and how you would like to increase them. Together you will assess your training plan and with your employer review your current training and update your training record book. This plan may include Scenarios, Role plays, Guest Speakers, Industry visits, One on One tutorial, attending other industry sectors workplaces, specialist trainers and workplace assignments directed by your employer.

There are also different ways in which you can do your assessment - depending on the unit of competency you are demonstrating you can use practical performance, assignments, practical projects, written tests or role play and questioning. Career Training Centre trainers and assessors will ensure that you have acquired the supporting skills and knowledge with the resources and equipment to enable you to apply that knowledge and skill to industry standards, to new situations and workplaces.

Please note that all reports and assignments which you submit are kept in your traineeship file and are not returned unless additional work is required. Assessments are kept on record for audit purposes to prove you have gained the skills and knowledge required for your selected unit or completion of a qualification.

### **Completion Procedure/Issuing of Results**

Completing your course is a great achievement. Throughout your training, your trainer will have verified the skills attained. At the end of the required units of competency, your trainer will check that the record book is totally completed and that all evidence has been collected.

Our courses are Nationally Recognised Courses. In order to be eligible for the qualifications learners must be assessed as Competent (C) in each of the Competency Units. If students are assessed as Not Yet Competent (NYC) they will be given feedback and asked to resubmit the assignment with revisions.

When you have completed all the units in the record book, and these have been signed off by the student and the trainer / assessor, then a Completion Agreement form is completed (available from your trainer). This Completion Agreement will be signed by both parties within 5 working days after the student and assessor have agreed to complete.

Once the student and the assessor from Careers Training Centre have signed this Completion Agreement, the training contract and training plan ends. The date on which all signatures are finalised, becomes the Actual Completion Date of Completion.

We will send you a copy of your results within 14 days of the completion date if full fees have been paid for the course/unit. Full payment must be received prior to the issuing of this qualification or statement of attainment.
