

Management Principles

Careers Training Centre aims to be the best it can be and work with industry to set benchmarks and best practices. We do this by:

- Understand the needs of you, the client, our students, staff and the industries in which we operate or do business with.
- Use developed and proven management principles, systems and policies to operate an efficient and effective organization and professional develop our staff.
- Are committed to quality assurance and continuous improvement and incorporate these principles into all aspects of the business meeting all legislative requirements.
- Regularly collect feedback and continuously use it to improve and enhance our training and assessment services, client services and management systems.
- Ensure that decision making of senior management is informed by the experiences of our trainers and assessors and act in an ethical and moral manner at all times.
- Careers Training Centre will strive to exceed the requirements of the Standards for Registered Training Organisations (RTOs) 2015 and relevant guidelines related to Vocational Education and Training legislation.
- Developing courses and assessment processes that meet industry benchmarks and industry demands; cater for a range of learning styles; and are flexible to a diverse range of student needs.
- Engage with industry by participating in and/or facilitating relevant professional associations, networks, focus groups and industry associations and taskforces.
- Maintaining a supportive learning environment that is conducive to the success of our students, clients and staff.
- Training equipment and resources will meet the requirements of all Training Packages for units delivered to students and be reviewed annually at all sites.
